Risk assessment

Required information and documents for ensuring safety and well-being on business trips:

<p>For international business trips with exposure to particularly extreme climate conditions and risk of infection as well as trips lasting over three months:</p> <p>For trips to tropical and subtropical regions and business trips with particularly extreme climate conditions and risk of infection, as well as trips abroad amounting to over three months of travel in total each year, an occupational medical examination and risk assessment must be conducted before the business trip can be approved. Further information can be found under the occupational safety and health webpage. A list of relevant countries can be found here. The medical examination and risk assessment must be submitted with the request for business trip approval. Without these documents the business trip cannot be approved. By signing below you confirm that you have read the information about relevant Travel Advice from the Federal Foreign Office for your destination country.</p> <p>For your own safety and well-being we urgently advise you to take out travel health insurance (covering medically necessary return transport).</p>	<p>All other business trips and excursions within Germany and abroad:</p> <p>For all other national or international business trips, a risk assessment must be carried out before the trip commences. Additional information can be found under on the occupational safety and health webpage. Does your business trip entail a higher risk due to local climate, living conditions or planned (business) activities?</p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If you have any questions, feel free to contact the occupational health and safety team or the medical officers, Your occupational insurance may become invalid if you do not provide full and accurate information.</p> <p>By signing below I confirm that I have read and acknowledge the information on occupational health and safety and risk assessment, and have read the travel advice information for my destination country from the Federal Foreign Office.</p> <p>For your own safety and well-being we urgently advise you to take out travel health insurance (including medically necessary return transport).</p>
