Paderborn University is a high-performance and internationally oriented university with approximately 20,000 students. Within interdisciplinary teams, we undertake forward-looking research, design innovative teaching concepts and actively transfer knowledge into society. As an important research and cooperation partner, the university also shapes regional development strategies. We offer our more than 2,300 employees in research, teaching, technology and administration a lively, family-friendly, equal opportunity environment, a lean management structure and diverse opportunities.

Join us to invent the future!

The Faculty of Electrical Engineering, Computer Science and Mathematics offers an employment in the dean’s office as a

**student associate (f/m/d)**

**Focus of work:**

- Translation of the websites of the department into English
- Research activities and supportive internationalization activities

**Qualifications:**

- English as a native speaker (Australia, UK, New Zealand, US, Canada, Ireland only)
- Knowledge of the German language on level B2 ([http://www.europaeischer-referenzrahmen.de/](http://www.europaeischer-referenzrahmen.de/) or equivalent) or higher

**Hours of work:**

By arrangement (9.5 hours per week)

Female applicants with equal qualifications, skills, and achievements in the field will be given preferential consideration according to the LGG (North Rhine-Westphalian Equal Opportunities Act), unless there are preponderant reasons to give preference to another applicant. Similarly, the application of qualified disabled and otherwise impaired persons along the lines of German social law (SGB IX) is strongly encouraged.

Interested applicants should send the documents (short Letter of application, CV) formatted as ONE PDF-document to markus.holt@uni-paderborn.de until 29.02.2020 using the reference number 4130.

We are looking forward to your application!
