Paderborn University is a high-performance and internationally oriented university with approximately 20,000 students. Within interdisciplinary teams, we undertake forward-looking research, design innovative teaching concepts and actively transfer knowledge into society. As an important research and cooperation partner, the university also shapes regional development strategies. We offer our more than 2,500 employees in research, teaching, technology and administration a lively, family-friendly, equal opportunity environment, a lean management structure and diverse opportunities.

Join us to invent the future!

In the Faculty of Arts and Humanities, Institute for Human Sciences, Philosophy, in the field of Practical Philosophy, chaired by Prof.in Dr.in Ruth Hagengruber, a full-time position is to be filled as soon as possible as a

Research Associate (f/m/d) (pay grade/ Entgeltgruppe 13 TV-L)

Applications are invited for a PhD or PostDoc position. The position entails a fixed term contract for the duration of the PhD or habilitation process in the field of Early Phenomenology and is initially limited to 3 years, depending on the previous qualification (according to the German law "Wissenschaftszeitvertragsgesetz").

Tasks:
- Teaching obligation, usually to the extent of 4 hours weekly per semester
- Active participation in the work area (support in research and administration, organisation of events, support of publications, implementation of research projects and their acquisition of third-party funding, presentation of research results), especially in the area of research and teaching projects on early phenomenology.
- Implementation of a doctoral or habilitation project on early phenomenology

Conditions of Employment:
- Knowledge of early phenomenology
- Outstanding scientific academic degree (MA, PhD)
- Excellent written and spoken English language skills
- Ability to interdisciplinary cooperation as well as the ability to work in a team, independent way of working, openness to new media, willingness to support activities in the field of digital humanities, ability to manage projects and organize teams

If you are interested in working in an international team with a high level of motivation and already have international experience, we look forward to your support.

Applications of women are especially welcome. In case of equal qualification and scientific achievements, they will receive preferential treatment according to the North Rhine-Westphalian Equal Opportunities Policy (LGG), unless there are cogent reasons to give preference to another applicant. Part-time employment is generally possible. Likewise, applications of disabled people with appropriate qualification are explicitly requested. This also applies to people with equal status according to the German social law SGB IX.

Applications with the usual documents and with the addition of a work sample and proof of excellent English skills are requested in electronic form under the reference number 4977 by December 27, 2021, to: petra.grosse.holling@upb.de. The interviews will take place via ZOOM.
